Subscription Plan Management

- Single User Subscription Plan
- Multiple User Subscription Plan

Authorization/Access to Client:

- Change the price of both subscription plans.
- Adjust the number of users in the Multiple User Subscription Plan.

. Static Information:

- Perks
- Number of Reports

Both subscription plans have static values for the number of perks and reports.

Group Plan:

.If the number of users reaches the members limit (e.g., 5), a popup message will display: "Members are already full."

Reports Scenario

- .Limit: 10 reports.
- .When adding a new report beyond the limit, it replaces the oldest report among the existing 10.

Trial Version

- .Users start with a trial version by default.
- .Users can add only one report in the trial version.
- .Attempting to add a second report will show a popup: "Your limit has reached. Please upgrade your plan."

Login Restriction

- .Users can only be logged in on one device at a time.
- .If a login attempt is made from another device, a popup message will display: "You are already logged in on another device. Would you like to log out from that device?"

Payment Gateway

- Stripe will be used for managing payments.
